Dear Fire District #1 Neighbor,

The **VOLUNTEER** firefighters of Woodbridge Fire Company No. 1 have been protecting the lives and property of the residents and businesses of Fire District No. 1 since 1897 – 123 years.

Our firefighters give thousands of hours of their time every year, at the risk of their own safety, to ensure the safety of you and your loved ones. We not only respond to fires, but any emergency situation including vehicle accidents, utility problems, carbon monoxide, hazardous materials/conditions, and rescue incidents. **We respond around the clock, every day, to an average of 750 emergency calls per year.**

The fire service is constantly changing, and so are the dangers we face. We train for all types of emergencies and seek out new tools, techniques, and equipment to make our jobs safe and more efficient - while keeping your property and family safe.

We use your donations to pay for our day to day operating expenses and enhance our safety, training and operational effectiveness. We support other emergency service organizations, Woodbridge community programs and events, and our annual open house held each October.

Please take the time to send in your **TAX-DEDUCTIBLE*** donation. Also please check if your employer will match your donation. Every donation makes a difference, regardless of size.

We thank you for supporting us, your volunteer firefighters!

Sincerely,

The Firefighters of Woodbridge Fire Company No. 1
